Music City SEL Youth Summit 2019 Important Information

PLEASE KEEP THIS PAGE

THANK YOU for allowing your child to attend the *Music City SEL Youth Summit 2019*. Please retain the following important information regarding the event.

What is the Music City SEL Youth Summit?

The Music City SEL Youth Summit is a special opportunity for middle and high school students to develop a deep understanding of **social-emotional learning** – the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.

Participants will learn about the role they play as youth leaders working to enhance the climate of their schools and develop action plans in collaboration of adult leaders. The Youth Summit is part of the **Music City SEL Conference** – a national gathering of educators and youth-serving professionals focused on social emotional learning.
